

American Old West

Time Traveling Twins - Series 11

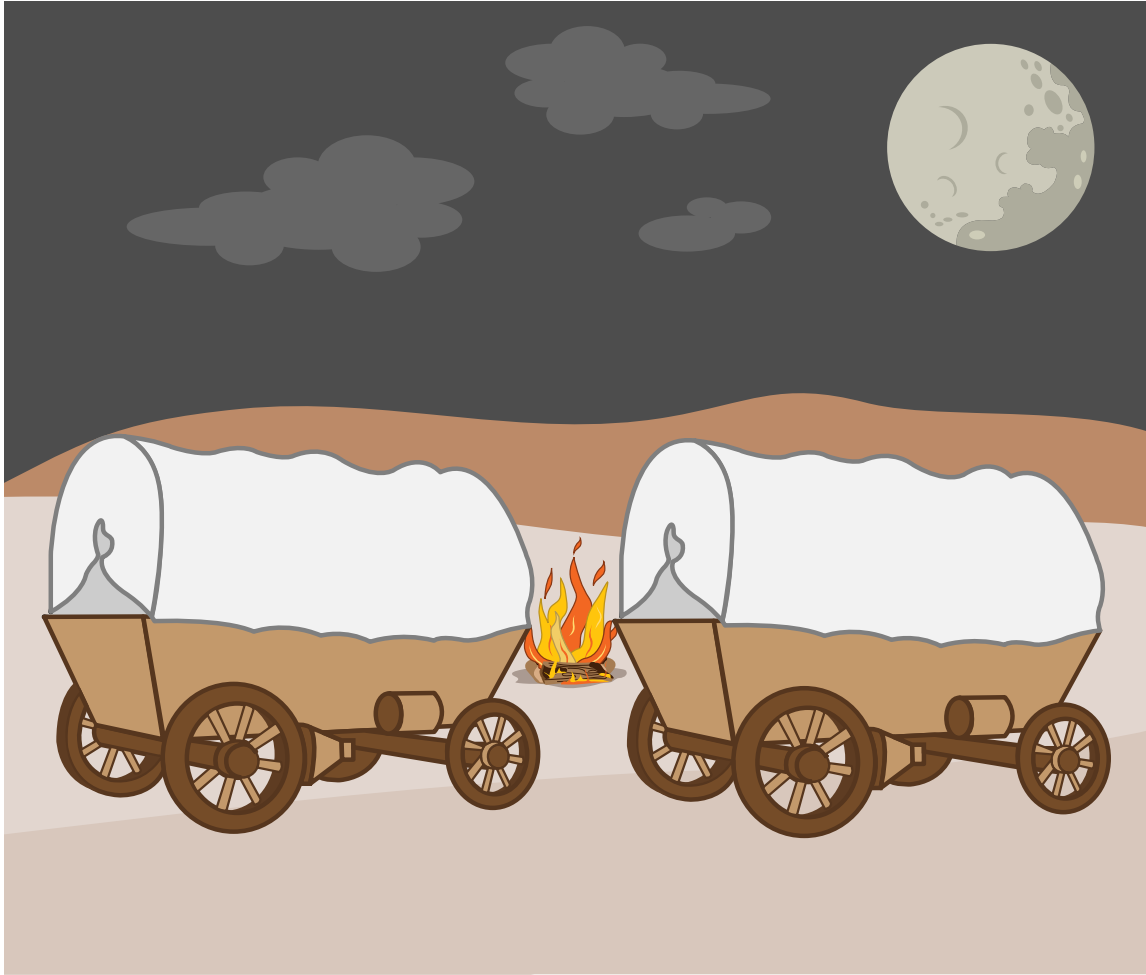

Level E

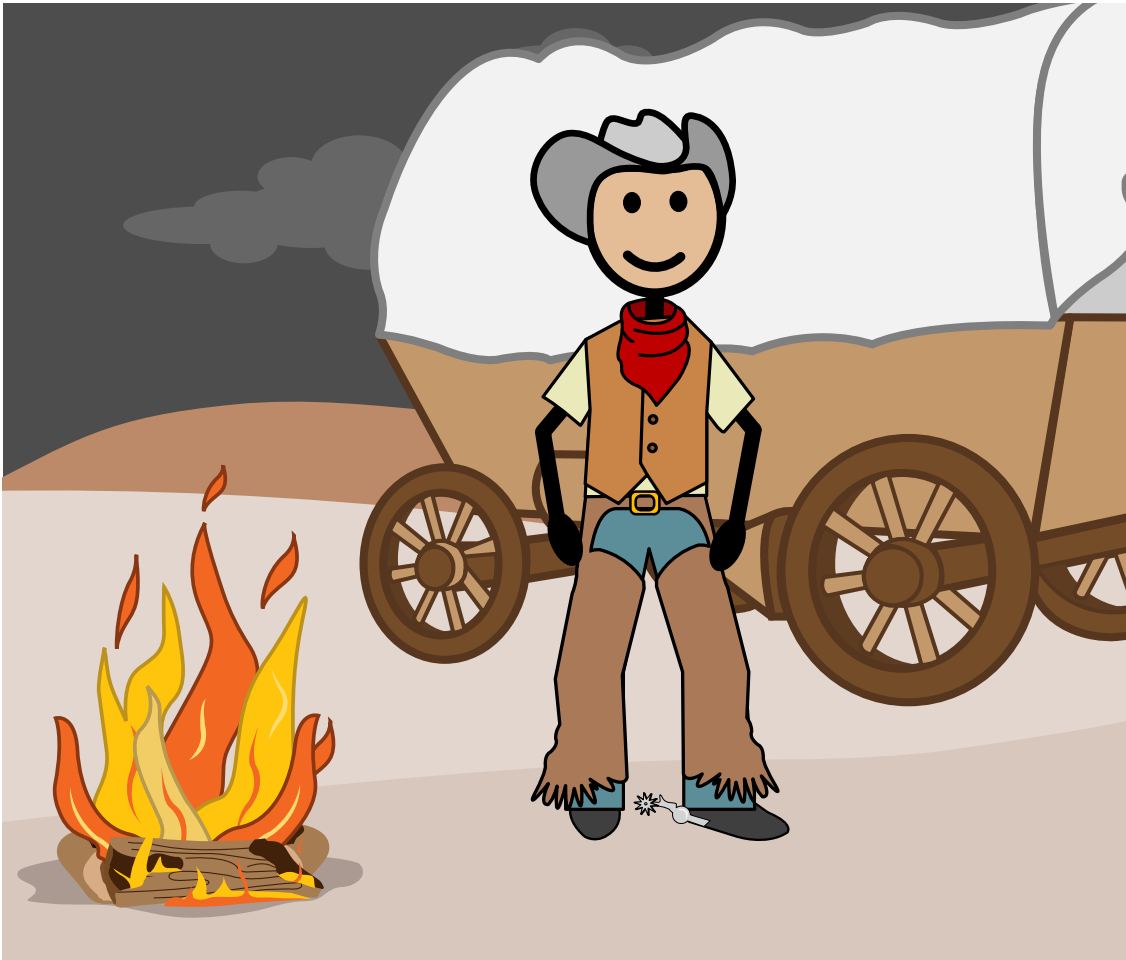

Written and Illustrated by Travis Schaeffer

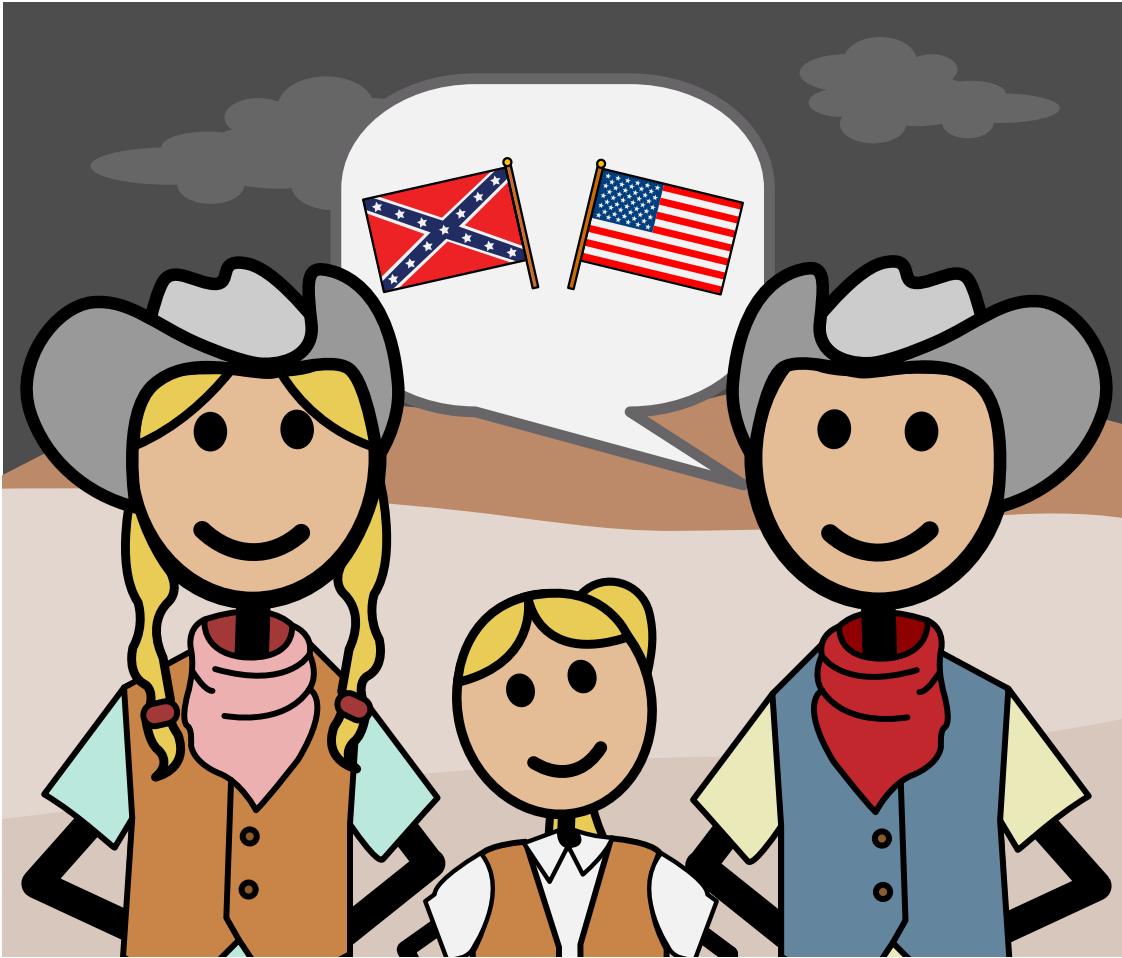

Whoosh ! Tina and Tim have traveled to the year 1875. They are in the American Old West. This is known as the Wild West.

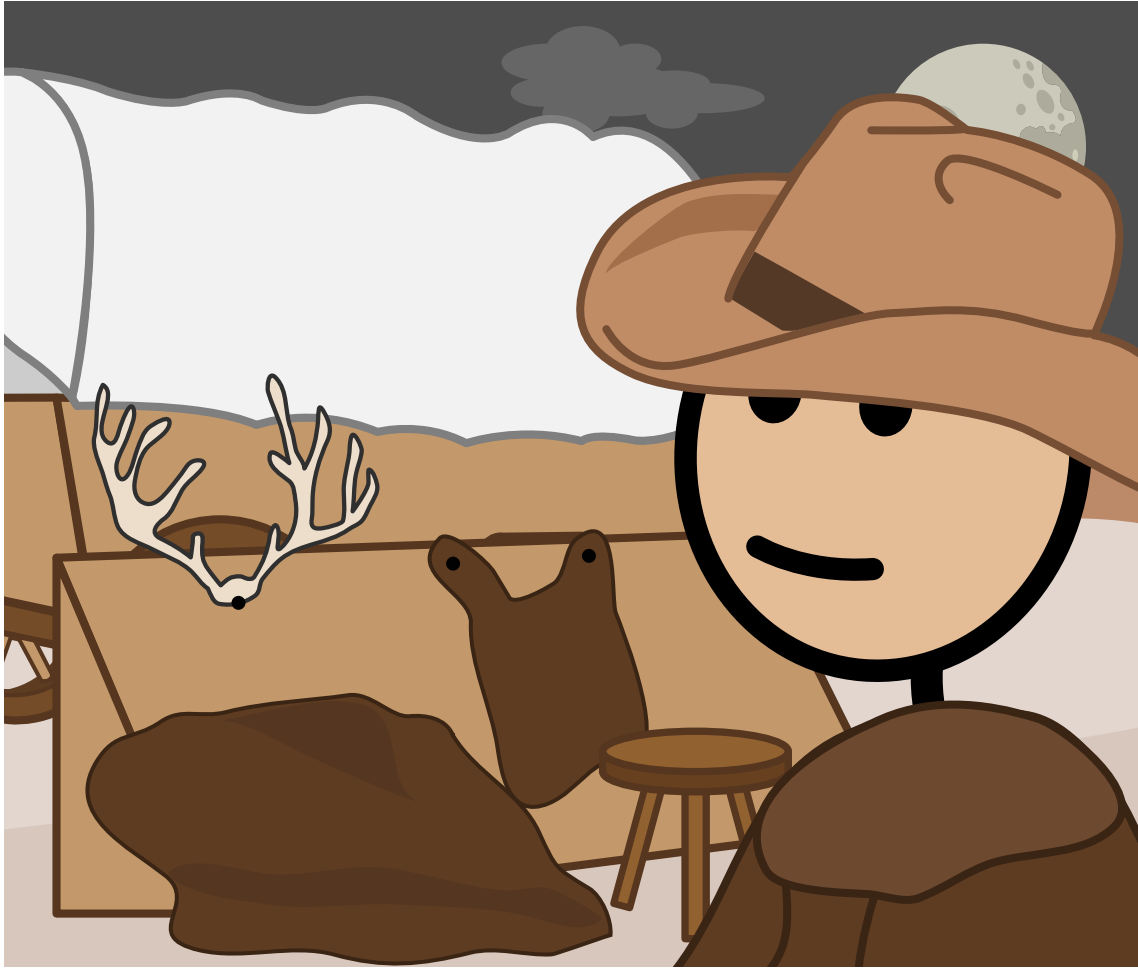

Tina and Tim start their adventure. They are in the desert. Tina sees a campfire and a group of wagons. Tina and Tim hide behind a cactus.

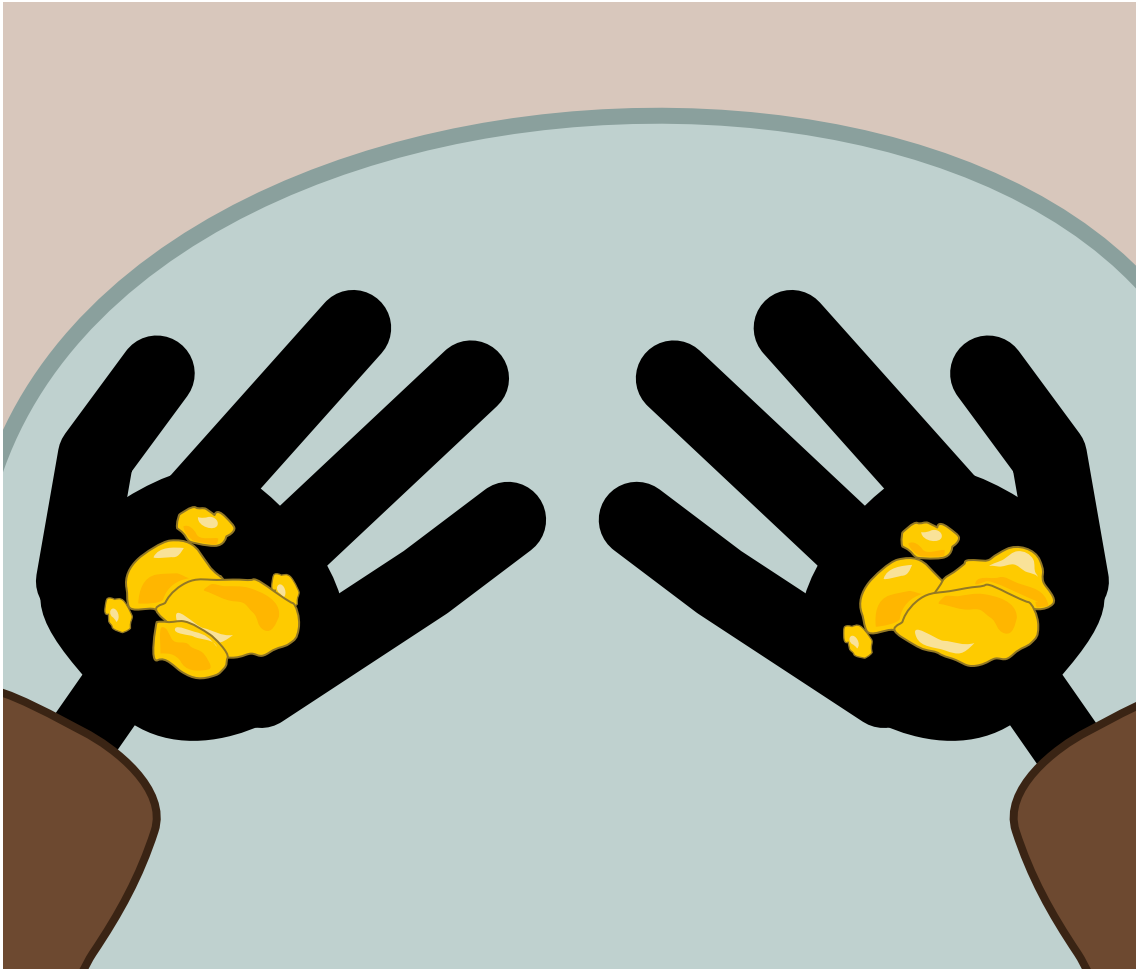

Tina sees a man wearing boots, spurs and a hat. Tim says, “He is a cowboy. We must be in the Old West.”

Tim hears a family talk about the Civil War. Tina says, “The Civil War was fought over slavery. The North fought the South and won !”

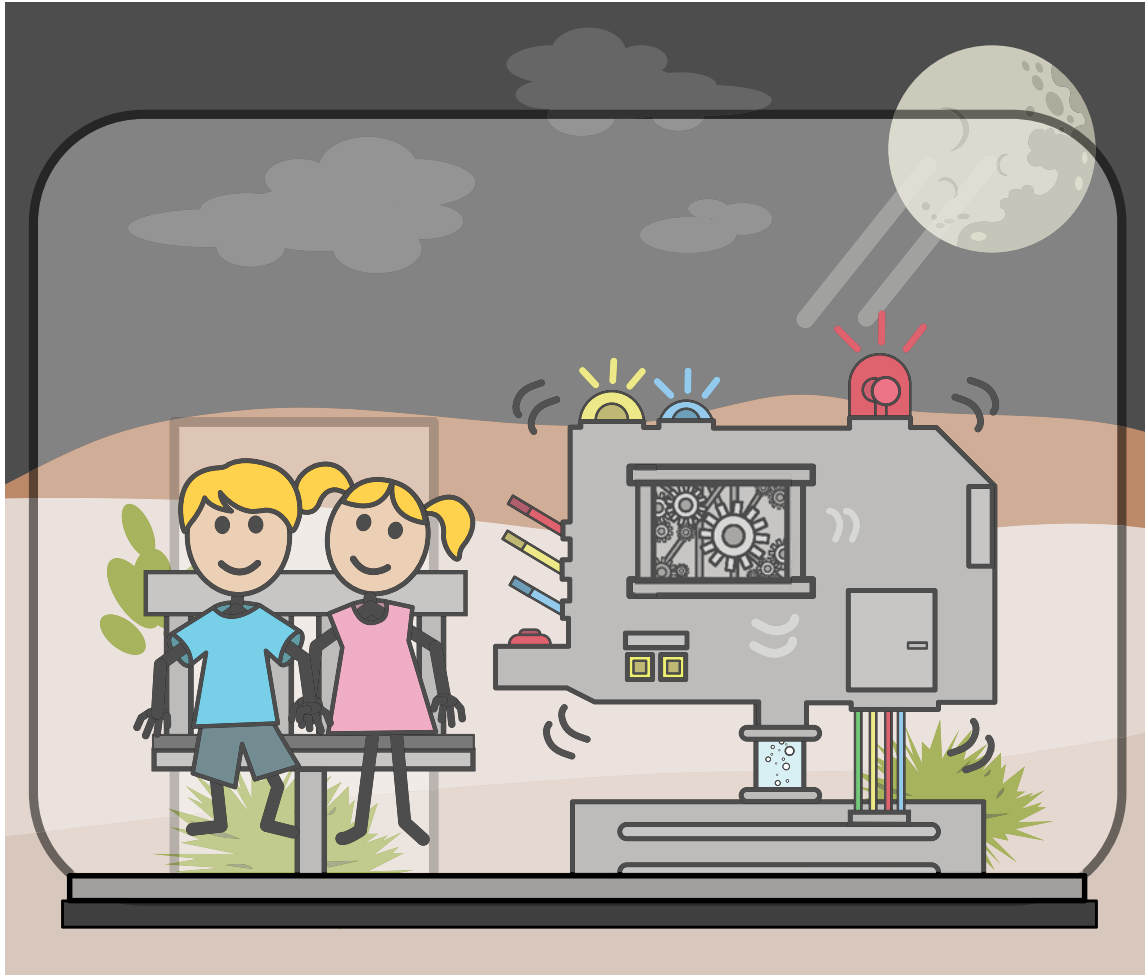

Tina sees some of them wearing fur. Tim says, “They would hunt animals for food or fur. They would sell or trade animal furs for things they needed. This was known as the fur trade.”

Tim sees a man cleaning off shiny gold pebbles. Tina says, “They used to mine gold in the West. It was known as the California Gold Rush.”

Tina and Tim hear yells and chants. They see many men on horseback coming down a cliff. Tim says, “They are Sioux Indians. We better leave before they get here.”

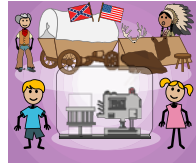

**Tina and Tim start running
for the time machine. They
get to the time machine
and push the buttons.
They fly away just in time.**

Tina and Tim have learned a lot from this adventure. It is time for Tina and Tim to time travel once again. Whoosh !
